

Tesla Energy Card®

Innovative Technology

**HEALING, IMMUNITY, AND HOMEOSTASIS
VIA VIBRATIONALLY INFUSED FREQUENCIES**

Developed by

Benefits of Using the Tesla Hydrogen Peroxide Energy Card®

- Effective in restoring health without pharmaceutical drugs.
- Effective in maintaining health without the use of drugs.
- Boosts the immune system with oxygen frequencies.
- Over 91,000 studies documenting the success of hydrogen peroxide therapy.

Studies available on the National Institute of Health's PubMed website: www.ncbi.nlm.nih.gov/pubmed/search: hydrogen peroxide.

Benefits of Using the Tesla Hydrogen Peroxide Energy Card®

- Improves mental clarity.
- Reduces fatigue.
- Increases stamina.
- Creates a sense of well-being.
- Helps to balance the nervous system and restore homeostasis.
- Helps to reduce pain and inflammation by metabolizing the waste products of tissue injury and trauma.

Benefits of Using the Tesla Hydrogen Peroxide Energy Card®

- Can be used anywhere and anytime.
- Size of a credit card and can be easily carried in a pocket.
- Perfect for combat situations or daily activities.
- Non-toxic.
- Noninvasive.
- Affordable (US\$ 36 per unit)
- No compliance issues: no pills or liquids to swallow.

Benefits of Using the Tesla Hydrogen Peroxide Energy Card®

- There are no contraindications for this device.
- There are no adverse reactions.
- Extended life: the lifespan of this device is two years.
- Totally safe.

How the Tesla Hydrogen Peroxide Energy Card® Works

- By wearing the card for 3 hours, the hydrogen peroxide frequencies permeate throughout the body and function like oxygen molecules.
- The frequencies of oxygen kills viruses, bacteria, fungi, mold, chemical toxins, and speeds up cellular regeneration and wound healing.

How the Tesla Hydrogen Peroxide Energy Card® Works

Using sophisticated electronic equipment, the frequencies of food grade hydrogen peroxide are cloned and then imprinted into a chromium oxide strip. By wearing the card, the frequencies are broadcast and picked up by the body's aura; the frequencies of the oxygen create the physiologic responses.

Precautions

Because the device has a magnetic strip, it must be kept away from direct contact with cell phones, strong magnets, and computers. When not in use, it must be stored in the supplied RFID envelop.

Past experience has shown that the integrity of the card will be maintained even if it goes through a washing machine or drier. The water, bleach, soap or hot air will not affect its function.
