Energy Medicine: The New Frontier

November 6, 2025

With Special Guest

Carolann Hontz

Topic:

- **Why is it important to get God back into our lives, country, world?**
- **Why is it important to properly care for and educate our children?**
- **Why an innovative, specialized form of kinesiology is effective for healing the body, mind, emotions and soul?**

Bio:

Carol Ann Hontz is an international author/lecturer/teacher with more than 16,000 graduates of her two-year kinesiology courses in Eastern Europe (Prague, Warsaw, Bratislava, Budapest, Moscow, Ukraine) and the USA. With two degrees in education, she has integrated her concepts into the Montessori educational system. She started preschool classes on three continents and also has been training teachers worldwide. In addition, she has studied a specialized technique of kinesiology, which now comprises her professional practice. Carol Ann has integrated her educational experiences to help children, especially in these very challenging times. "Making America Great Again" depends on making our children great also.
